Dear Ma

I received your letter this afternoon and it was good to hear from you.

I was looking at maps of Michigan and I could find Cheaning, on it. That must be a small place.

It isn't very cold but there snow. It snowing out right now, and it been snowing just about all day.

Did they win or lose the homecoming game? What Michigan going to do when they meet Ohio State in football. I think Michigan, going to lose.

I was just kidding you about writing Edna. I remember that day in Korea was named Cat Zoo, and when Edna got the first letters from her you were mad!

Is that right? Send her address and I will give it to someone. Not myself.

I haven't written to Jack but I drop him a few lines later.

I got a letter from my brother today for Calif. The first time since Christmas of last year. He wants me to come out there and spend some time. I might take a 10 day leave next month and him and his wife. I haven't seen them for almost 2 years.

Did you receive the birthday
card I sent you?

Well it about time for the
light to go out so I will have to
close for tonight. I will drop
Jack a few lines within the next
2 day's.

Be good and take care of
yourself.

Love
M. J.
